Dear :

STAT

Mr. Dulles has asked me to reply to your letter of July 8th requesting an interview with him. I am sure you will understand when I say that Mr. Dulles' heavy schedule will not permit him to see you personally. You may have every assurance that  with whom you have corresponded, is giving all possible attention to your application. Should there be a reason however for you to question what is being done with your application, I should be very glad, myself, to talk with you about it.

Sincerely yours,
